Dear Tim:

This is just a follow up to our previous communication concerning the above named individual. Mr. Metzger was registered in Troop 115 in Wilton Manors, Florida. He was terminated in 1984 by letter from your council to Mr. Metzger.

According to our records, we have never received the outcome of the legal action related to the charge of sexual battery on a minor. We really need to close this case since it has been dragging on so long and would like to know the outcome of the legal action at that time.

Thanks for your help in closing this file.

Dear Tim:

I know how difficult it is to get information at times on individuals, but we really need to close this file which has been active since 1984.

All we really need now is the final outcome of the legal action which caused Mr. Metzger to be charged with sexual battery on a minor and lewd conduct. I would like to have the outcome of the legal action to place in our file and this will then close the case.

I am sure that one of your board members or someone will be able to secure this information for you.

Sincerely,

We would appreciate it if you could give us some information related to the sexual battery charges.

Let me know if I can be of any help.

Dear Tim:

Several cases have been pending in your council for a long time and most of them occurred before you became involved as the Director of Field Service. As you know, I am trying to clear these up.

Please let me have the outcome of the legal action of Mr. Metzger's arrest on a charge of sexual battery on a minor. This will give us all the information we need to complete the file and refuse registration at a later date.

Thanks again for your help.

SUBJECT: Frank Metzger and
William Maitre

Dear Tim:

This is an update on our telephone conversation of August 24. I am sorry I had to write so soon but I feel this matter should be straightened out.

We have a file on William Maitre which was started in 1983. It was completed in January of 1984 and Mr. Maitre was placed on our permanent confidential file. He was the Scout Master of Troop 115 in Wilton Manors, Florida. Several parents made accusations against him for child sexual molestation. He was sentenced for sexual assaulting 3 eleven year old boys.

Frank Metzger was charged by the Fort Lauderdale Police Department with sexual battery on a minor and lewd behavior. He was also registered with Troop 115 in Wilton Manors, Florida, as a member of the Committee. We never received the outcome of any legal action related to this situation. This is the reason I have been requesting more material. I feel, at this time, our case is very weak since we do not have any newspaper clippings or court records which would substantiate these sexual charges.

We would appreciate it if you could help us complete the Metzger file. The Maitre file is complete and registration would be refused if attempted.

Thanks for your help in this matter.

Paul Ernst, Director

The information on Frank Metzger is very helpful and will certainly lead to the refusal of registration. We would like for you to keep us informed as this trial takes place. Sentencing will be most helpful to us in strengthening our file.

Dear Mr. Metzger:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.
